

# PAS 2030 Installer Scheme

## Fees from 1 April 2024

<b>1 Application fees</b>	<b>Fee</b>	<b>VAT</b>	<b>Total</b>
Initial application fee	£150	£30	£180
PAS 2030 office assessment fee	£430	£86	£516
Installation assessment fee (per half day assessment)	£430	£86	£516
Number of half day units required is dependent on number of measures applied for. For example: £150 application fee + £430 PAS 2030 office assessment fee + £430 for 1 half day installation assessment.			
<b>2 Annual renewal</b>	<b>Fee</b>	<b>VAT</b>	<b>Total</b>
PAS 2030 office assessment fee (per half day assessment)	£430	£86	£516
Ongoing surveillance assessment fee (per half day assessment)	£430	£86	£516
<b>3 Extension to scope fees</b>	<b>Fee</b>	<b>VAT</b>	<b>Total</b>
Half day assessment (or multiples of)	£460	£92	£552
<b>4 Other fees</b>	<b>Fee</b>	<b>VAT</b>	<b>Total</b>
Additional half day assessment (or multiples of)	£430	£86	£516
Administration fee for example change of company details, not involving change of ownership (fee does not include an additional assessment)	£65	£13	£78
Change of Technical Representative (fee does not include an additional assessment)	£65	£13	£78
TrustMark status (available after full certification achieved and payable annually)	£140	£28	£168
Building compliance certificate online submission (for notifiable CPS measures as applicable)	£3.75 per installation	£0.75	£4.50
<b>5 Cancellation fees</b>	<b>Fee</b>	<b>VAT</b>	<b>Total</b>
Cancellation of a scheduled assessment with 2 or less than 2 days notice (per half day assessment)	£355	£71	£426
Cancellation of a scheduled assessment with more than 2 and less than 21 days notice (per half day assessment)	£245	£49	£294
Void fee for failure to be present or available for assessment when the assessor has attended at the scheduled time and date and no previous cancellation has been received (for each half day)	£430	£86	£516

Note 1: all applications are subject to a quotation. Quotations are based on the number and type of measures applied for. For a quotation contact [applications@niceic.com](mailto:applications@niceic.com) or call 0333 015 6626.

Note 2: a full day (2 units), will usually take up to 6 hours of assessment time and a half day (1 unit), will usually take up to 3 hours of assessment time to complete.

**Quotation** Your PAS 2030 quote will be based on the number of energy efficient measures you wish to apply for. The onsite assessment time for each measure has been calculated and allocated a number of units based on the time required to complete. The total number of units and cost of these is illustrated below.

Please tick the measures you wish to apply for in each relevant type (A, B, C) then calculate the total cost.

### Heating and plumbing measures (Type A)

Measures	Tick below	Units
Hot water systems	<input type="checkbox"/>	= 2
Mechanical ventilation heat recovery (MVHR)	<input type="checkbox"/>	= 2
Condensing boiler (LPG and Gas)	<input type="checkbox"/>	= 2
Condensing boiler (Oil)	<input type="checkbox"/>	= 2
Heating system insulation	<input type="checkbox"/>	= 1
Heating controls	<input type="checkbox"/>	= 1
Flue-gas recovery	<input type="checkbox"/>	= 1
Underfloor heating	<input type="checkbox"/>	= 1
Warm air units	<input type="checkbox"/>	= 1

**Total number of units (Type A)**

Please refer to the table below for the price based on the number of units you have now applied for in Type A.

Total number of units applied for (Type A)	Price
1 - 4 units	£430 + VAT
5 - 8 units	£860 + VAT
9 - 12 units	£1290 + VAT

**Total cost (Type A)** £

### Electrical measures (Type B)\*

Measures	Tick below	Units
Storage heaters	<input type="checkbox"/>	= 2
Light controls and light fittings	<input type="checkbox"/>	= 2

**Total number of units (Type B)**

Please refer to the table below for the price based on the number of units you have now applied for in Type B.

Total number of units applied for (Type B)	Price
1 - 4 units	£430 + VAT

**Total cost (Type B)** £

### Insulation measures (Type C)

Measures	Tick below	Units
Internal wall	<input type="checkbox"/>	= 2
External wall	<input type="checkbox"/>	= 2
Room in roof	<input type="checkbox"/>	= 2
Cavity wall	<input type="checkbox"/>	= 1
Flat roof	<input type="checkbox"/>	= 1
Floor insulation	<input type="checkbox"/>	= 1
Pitched roof	<input type="checkbox"/>	= 1
Loft	<input type="checkbox"/>	= 1
Draught proofing	<input type="checkbox"/>	= 1

**Total number of units (Type C)**

Please refer to the table below for the price based on the number of units you have now applied for in Type C.

Total number of units applied for (Type C)	Price
1 - 4 units	£430 + VAT
5 - 8 units	£860 + VAT
9 - 12 units	£1290 + VAT

**Total cost (Type C)** £

Hybrid wall comprises of both Internal wall and external wall Insulation

**Total cost** Cost of units applied for: £  combined cost of Type A + Type B + Type C

**+ £430** PAS 2030 office assessment fee (Applicable to all initial PAS 2030 assessments)

**+ £150** Application fee (Applicable to all initial PAS 2030 assessments)

**= £  Total cost + VAT**

\*NICEIC-certified businesses are not required to have an additional onsite assessment for the measures covered in Type B and are therefore exempt from the cost of this. Application fee and PAS 2030 office assessment fee still apply. Additional measures will be charged at the above or published rate.

## Surveillance tiers and rates

Surveillance of NICEIC-certified businesses is calculated based on the requirements of PAS 2031, each measure is allocated a tier (see below) which stipulates a % that dictates the volume of at-location site assessments required using the volume of work undertaken.

Tier % rates		Assessment rates		
Measure Tier	Low	Medium	High	
Tier 1	1%	2%	3%	
Tier 2	3%	5%	7%	
Tier 3	4%	7%	10%	

Measures			
	Tier 1	Tier 2	Tier 3
Cavity wall insulation		X	
Draught proofing	X		
External wall insulation		X	
Flat roof			X
Under floor insulation			X
Internal wall insulation			X
Loft insulation			X
Pitched roof			X
Room in roof insulation			X
Gas &/or LPG boilers		X	
Oil boilers	X		
Flue gas heat recovery	X		
Heating system insulation		X	
Heating controls			X
Hot water systems	X		
Mechanical ventilation heat recovery	X		
Underfloor heating		X	
Warm Air gas heating	X		
Water efficient taps and showers	X		
Storage heaters	X		
Lighting fittings and controls	X		

Please note, if for example you are certificated for cavity wall insulation and storage heaters under PAS 2030 we will need to complete an office based assessment annually in addition to assessing a minimum 5% of all cavity wall installations and 1% of all of the storage heater installations you complete.
