

Job Title:	Associate Lecturers in Electrical Engineering
Location:	Nationwide
Contract:	Self –Employed
Hours:	Part Time

A bit about us...

Certsure is a market-leading certification body. Operating the NICEIC and ELEC SA brands, we've been in business for over 60 years. Our mission is to make a positive difference to our customers and our people, and to provide a service that's second to none. Our values are really important to us, and are all about doing the right thing, making a difference, investing for the future and achieving results.

We're extremely proud to be a Sunday Times Top 100 Best Company to Work For. This demonstrates how important our people are to us, and recognises everything we do to make sure our people have a working experience that's the best it can be.

A bit about the job...

NICEIC is looking for skilled and self-motivated people to join our training team as Associate Lecturers in Electrical Engineering.

We are looking for suitable candidates across the UK to help out at our training centres nationwide.

What you'll be doing...

The role will involve teaching Level 3 of the Qualifications and Credit Framework (QCF) and a selection of bespoke Electrical Installation Industry courses at Levels 2 and 3.

What we'd like you to have...

The successful candidate would ideally have:

- relevant Electrical Engineering Degree, or Level 4 in Electrical Engineering
- Industrial, commercial and domestic experience in Electrical Installations
- Experience in delivering Level 3 within the QCF
- UK recognised teaching qualification, such as PGCE, DTLLS, Cert Ed, or equivalent Commitment to the Electrical Industry
