TRAINING

Our Training provides the necessary skills and qualifications needed by contractors today, to face the professional and legal challenges for individuals in the electrical, renewable, gas, water and health & safety sectors. Through our dedicated Training team and a network of Training Partners, we offer suitable, cost effective and skilled training across the UK. Our courses are created by leading industry experts who have a wide range of direct experience, giving clear, up-to-date and relevant best practice guidance.

From awareness workshop training through to accredited qualifications, our range of courses and learning styles are designed to help develop your skills and widen your knowledge. All our national courses are now aligned to the new Qualification Credit Framework (QCF).

In addition, over 3,500 people have already completed **online learning** with us. Our online training is a fantastic solution to keep up to date with changes or expanding knowledge without having to spend time in a classroom.

WE ARE HERE TO HELP

If you would like any further help in planning your training and development needs, or if you want to discuss a coordinated approach to train a team of people, please call our team of training advisors on **0333 015 6627** or email traininginfo@certsure.com.
