

<b>Job Title:</b>	Electrotechnical Area Assessors
<b>Location:</b>	Various locations across the UK
<b>Rate:</b>	Competitive
<b>Hours:</b>	Part-time
<b>Contract:</b>	Self-employed
<b>Closing Date:</b>	Open

### About the role...

We have exciting opportunities for self-employed part-time Electrotechnical Area Assessors to cover various locations across the UK.

### About the company...

Certsure is a market-leading certification body. Operating the NICEIC and ELECSA brands, we've been in business for over 60 years. Our mission is to make a positive difference to our customers and our people, and to provide a service that's second to none. Our values are really important to us, and are all about doing the right thing, making a difference, investing for the future and achieving results.

We're extremely proud to be a **Sunday Times Top 100 Best Company to Work For**. This demonstrates how important our people are to us, and recognises everything we do to make sure our people have a working experience that's the best it can be.

- ### What you'll be doing...
- o Undertaking assessments for all Certsure customers registered for competent person schemes.
  - o Assessing customers' work and resources and ensuring they comply with the rules and technical requirements relating to enrolment prior to registration.
  - o Periodically assessing them to determine their eligibility for continued enrolment/registration.
  - o Building relationships with applicants for registration, electrical contractors, their employees and various other professional bodies, and providing qualified assessment services.
  - o Working independently in accordance with instructions and guidance outlined in procedural manuals.
  - o Demonstrating a high level of technical competence over a wide range of electrical installations. Therefore detailed knowledge of BS 7671 and related codes of practice is essential to the role.

## What we're looking for...

### Essential:

- High level of technical competence over a wide range of electrical installations
- Detailed knowledge of BS 7671 and related codes of practice
- Report writing, numeracy and PC skills
- Communication skills with the ability to build excellent relationships at all levels
- Excellent customer service skills – can recognise the customers' needs and strives to deliver the best level of customer service
- Excellent time management skills with ability to prioritise workload and meet deadlines
- Knowledge of accreditation criteria
- Full UK driving licence

### Desirable:

- Corporate membership of the IET/ IEE/ CIBSE
- HNC in engineering or equivalent
