

CAREERS AT CERTSURE

Job Title:	Electrotechnical Lecturer
Location:	Dunstable - Warwick House
Salary:	Competitive salary plus excellent benefits
Hours:	Full time
Contract:	Employed
Vacancy Number:	022/012
Closing Date:	24th June 2022

About the role...

NICEIC are looking for skilled and self-motivated people to join our team on a full-time basis to deliver training courses in electrical installation and associated competencies.

We are looking for suitable candidates to deliver engaging training at our training centre in Dunstable and via our remote training platform and as may be required at other venues across the UK.

The main purpose of the role is to deliver industry leading electrical installation training

About the company...

Certsure offers industry-leading certification services, Building Regulations schemes, training and other products to support the construction industry.

We are dedicated to providing professional services and certification to a wide range of customers across the building services sector. Our products and services are delivered through the marketing-leading brands NICEIC and ELECSA.

Quality is the foundation of everything we do, as a result, many of our products are Government-recognised and United Kingdom Accreditation Service (UKAS) approved. From the technically excellent assessors to service advisors who really "get" our customers – we are always on the lookout for talented people to join our team.

CAREERS AT CERTSURE

What you'll be doing...

The main purpose of this role is to deliver industry leading electrical installation training and assessment.

This role will deliver training, assessment and verification in line with national, legislative or company requirements across a range of awarding organisation certificated electrically biased training programs (City and Guilds, EAL), as well as those within our portfolio of tailored training courses, which have been developed to meet the needs of a diverse range of commercial customers.

This role will as required, provide support in the development of course content for the Training Department, and to support the wider commercial business with business development activities, and developing key relationships with external customers to develop tailored training solutions. There are no line management or budget responsibilities associated with this role.

What we're looking for...

The successful candidate would ideally will have:

- Completed a relevant 'time-served' electrical apprenticeship and hold as a minimum a level 3 electrical installation trade qualification and successfully completed the AM2 assessment to achieve at least ECS/JIB Grade: Electrician. (An electrical engineering degree or Level 4 qualification in electrical engineering would be advantageous).
- Extensive industrial, commercial and domestic experience in electrical installation or maintenance
- A good working knowledge of the Requirements for Electrical Installations - BS 7671:2018
- Proven experience of training in an electrical setting. (This may, for example, include employment with a private training provider or within Further Education).
- Experience in delivering Level 3, or higher, electrical qualifications (QCF)
- A UK recognised teaching qualification, PGCE, DTLLS, Cert Ed, or appropriate equivalent
- Full driving licence
- Commitment and passion to improve the electrical industry
- The personal skills required to bring our industry leading training to life

What we offer you...

- 25 days annual leave (pro rata for part time)
- Up to 3 flexi-days each year (pro rata for part time)
- Special domestic leave of up to 5 days each year (pro rata for part time)
- Learning and development opportunities
- Pension scheme
- Life Assurance
- Private healthcare
- Employee Discount platform

CAREERS AT CERTSURE

- Loyalty days
- Loyalty awards
- Employee Recognition
- Refer-a-friend scheme
- Free eye tests
- Bike loan scheme
