

CAREERS AT CERTSURE

Job Title:	MCS Assessor
Location:	Field Team - Various locations across the UK
Salary:	Competitive Salary
Hours:	Part time
Contract:	Self-employed
Closing Date:	On-going

About the role...

We have exciting opportunities for self-employed part-time MCS Assessors to cover various locations across the UK.

About the company...

Certsure is a market-leading certification body. Operating the NICEIC and ELECSA brands, we've been in business for over 60 years. Our mission is to make a positive difference to our customers and our people, and to provide a service that's second to none. Our values are important to us, and are all about doing the right thing, making a difference, investing for the future and achieving results.

We're extremely proud to be a **Best Company to Work For**. This demonstrates how important our people are to us and recognises everything we do to make sure our people have a working experience that's the best it can be

What you'll be doing...

- Undertaking assessments for all Certsure customers registered for MCS and related Competent Person schemes.

CAREERS AT CERTSURE

- Assessing customers' work and resources and ensuring they comply with the rules and technical requirements relating to enrolment prior to registration.
- Periodically assessing them to determine their eligibility for continued enrolment/registration.
- Building relationships with applicants for registration, electrical contractors, their employees and various other professional bodies, and providing qualified assessment services.
- Working independently in accordance with instructions and guidance outlined in procedural manuals.
- Demonstrating a high level of technical competence over MCS renewable technologies.

What we're looking for...

Essential:

- Detailed knowledge of MCS and related codes of practice.
- Detailed knowledge of relevant Competent Person schemes
- Suitable technical qualifications and knowledge of MCS renewable technologies
- Report writing, numeracy and PC skills
- Communication skills with the ability to build excellent relationships at all levels
- Excellent customer service skills – can recognise the customers' needs and strives to deliver the best level of customer service
- Excellent time management skills with ability to prioritise workload and meet deadlines
- Knowledge of accreditation criteria
- Full UK driving licence

Desirable:

- Corporate membership of the IET/ IEE/ CIBSE
- HNC in engineering or equivalent
