- Company Car or Car Allowance
- Access to our Reward Gateway Hub
- Subsidised Café and Gym Facilities at our Head Office
- Employee of the Month Scheme
- Employee Suggestion Scheme
- Refer-A-Friend Scheme
- Free Eye Tests
- Bike Loan Scheme

- Loyalty Days
- Loyalty Awards

A bit about the job...

We currently have several exciting opportunities for enthusiastic and self-motivated individuals, with demonstrable technical experience and skills within the electrical industry. We are currently looking for;

- Permanent full-time Electrotechnical Area Engineers to cover areas based around London, South-East and Scotland (to the North of Aberdeen)
- Self-employed part-time Electrotechnical Associates to cover London and the South-East regions.

What you'll be doing...

- Area Engineers and Associate Assessors undertake assessments across Certsure for all customers registered for competent person schemes.
- Area Engineers and Associate Assessors will assess their work and resources and ensure they comply with the rules and technical requirements relating to enrolment prior to registration. Also to periodically assess them to determine their eligibility for continued enrolment/ registration.
- They are responsible for building relationships with applicants for registration, electrical contractors, their employees, and various other professional bodies and to provide qualified assessment services.
- Post holders will be expected to work independently, in accordance with instructions and guidance contained in procedural manuals.
- Successful candidates will demonstrate a high level of technical competence over a wide range of electrical installations. Detailed knowledge of BS 7671 and related codes of practice is essential to the role.

What we'd like you to have...

Essential:

- High level of technical competence over a wide range of electrical installations
- Detailed knowledge of BS 7671 and related codes of practice
- Report writing, numeracy and PC skills
- Communication skills with the ability to build excellent relationships at all levels
- Excellent customer service skills – can recognise the customers' needs and strives to deliver the best level of customer service
- Excellent time management skills with ability to prioritise workload and meet deadlines
- Knowledge of accreditation criteria

- Full UK driving licence

Desirable:

- Knowledge of accreditation criteria
- Corporate membership of the IET/ IEE/ CIBSE
- HNC in engineering or equivalent
