

RENTED SECTOR SCHEME RULES

1. INTRODUCTION

Certsure LLP trading as NICEIC provides Certification services to Businesses that undertake electrical inspections in compliance with the BS 7671 Wiring Regulations and related Codes of Practice. This Scheme has been introduced to support Businesses that wish to undertake Periodic Inspection and Testing Work in the Rented Sector (RS).

A Business directly carrying out Periodic Inspection and Testing Work in the Rented Sector and wishing to be assessed in accordance with these Scheme Rules, may make an application for Certification. A Business may be granted Certification if its Business resources and Periodic Inspection and Testing Work are assessed and found to meet the requirements of these Scheme Rules. Continued Certification will be subject to annual surveillance requirements confirming that the Business is compliant with these Scheme Rules.

The Rented Sector Scheme is only available to Businesses that are already certified on a NICEIC electrotechnical certification scheme.

7. APPLICATION ASSESSMENT

- 7.1 The extent of Assessment will be prescribed by Us taking into account the range, scale and geographical spread of the Periodic Inspection and Testing Work carried out or managed by the Business.
- 7.2 Each proposed Electrical Inspector, as appropriate, will be present throughout the Assessment. The nominated Principal Duty Holder will be present for the opening and closing meetings. No other person will be present during the Assessment without the express prior agreement of Our Assessor, or Us.
- 7.3 Every applicant will:
- (a) allow Our Assessor to complete the Assessment process by assessing the Applicant's test instruments, documentation, records and Periodic Inspection and Testing Work completed and in progress. This will include all the items referred to in Requirements for Certification, together with such other items as may be prescribed by Us; and
 - (b) provide to Our Assessor, a list of all Periodic Inspection and Testing Work completed during the previous 12 months and of all Periodic Inspection and Testing Work in progress and make available the reports relating to that work; and
 - (c) provide facilities for such Assessments, including transport, tools, plant, test equipment and access to its place of business and to the work selected for Assessment; and
 - (d) demonstrate to the Assessor that Our Forms, Trademarks or Logos have not been used in any manner or for any purpose, nor will You in anyway represent yourself as being certified.
- 7.4 Any non-conformity(ies) identified during the Assessment may result in additional Assessment(s) unless the identified non-conformity(ies) can be rectified via alternative methods such as correspondence. Our decision will be final in respect of appropriate rectification of non-conformity(ies). Additional Assessments will incur fees.
- 7.5 All electronic recording devices are to be switched off for the duration of the Assessment, and it is not permitted that any part of the Assessment is recorded.
- 7.6 A completed Assessment will result in a recommendation; this will be communicated during the closing meeting(s). Any recommendation is always subject to independent review and Certification decision.
- 7.7 When requested by Us, You will provide access and facilities to allow for the attendance of internal and/or external parties such as the United Kingdom Accreditation Service (UKAS) to witness Assessments carried out by Us

8. CERTIFICATION

- 8.1 When considering an application, We may at Our discretion decide to:
- (a) grant Certification; or
 - (b) grant Certification with Defined Scope in which event the scope of work covered by these Scheme Rules will be subject to such conditions as We see fit, and which will be agreed by and notified to You; or
 - (c) defer further consideration of the application for a defined time because either insufficient work was available for Assessment or the applicant otherwise failed to meet the Requirements for Certification and/or Application Assessment. Under these circumstances a further Assessment of the Applicant may be necessary for which a charge will be payable in accordance with Our Fees and Charges: or
 - (d) reject the application.
- 8.2 An application for Certification may be cancelled by Us, 12 months from the date of the application being received if the Applicant has not complied with these Scheme Rules to enable Us to grant Certification.
- 8.3 If You have been certified with Us previously either under a previous trading title or your current trading title, and a claim was paid out under Our Platinum Promise Warranty, You will be required to reimburse all fees incurred before Certification is granted otherwise the application will be rejected.
- 8.4 When Certification is granted, the Trading Title of the Business will be included in the applicable Register(s) of Certified Businesses.
- 8.5 The Certificate is issued when We have confirmed compliance with these Scheme Rules.
- 8.6 Certification will be effective from the date that We are satisfied the required conditions have been met and all fees have been paid. Subject to continued compliance with the Scheme Rules and scheme requirements, the Business will remain certified.

9. CONDITIONS FOR CONTINUED CERTIFICATION

- 9.1 You are eligible for continued Certification for as long as:
- (a) We are satisfied that You continue to comply with these Scheme Rules published, updated and notified, by Us to You; including increases to fees and the undertaking of surveillance requirements; and
 - (b) payment of all fees is made by the due date; and
 - (c) contact information for your Business is kept up to date by You and any changes notified to Us immediately; and
 - (d) records are maintained for a minimum of 6 years or longer if contractually agreed inclusive of but not limited to; specifications, certificates, competence records and complaints.
 - (e) You demonstrate compliance at Surveillance, through successful Assessment outcome(s).

10. SUB-CONTRACTING

- 10.1 You will not sub-contract work within the scope of the Certification without first getting the agreement of the person ordering the work.
- 10.2 You will permit the Assessment of and accept full responsibility including any liability arising from work sub-contracted to another party.
- 10.3 Where You sub-contract Electrical Work, that work must:
- (a) be carried out in its entirety by a Business which holds a current certificate covering the range of work sub-contracted, issued by a Certification Body accredited by UKAS to ISO/IEC 17065: 2012; or
 - (b) be inspected and tested during construction and on completion, and certified, in accordance with BS 7671, by a Business which holds a current certificate covering the range of work sub-contracted, issued by a Certification Body accredited by UKAS to ISO/IEC 17065: 2012.

11. CHANGES TO CERTIFICATION

- 11.1 You will give notice to Us of any change to the Certified Business's details. Such notice will be given immediately or within a maximum of 30 days of any such change becoming effective. Following such notification, continued Certification will be at Our discretion. Such changes include but are not limited to, changes of:
- (a) legal constitution
 - (b) Trading Title
 - (c) address
 - (d) Principal Duty Holder
 - (e) Electrical Inspector
 - (f) financial status
 - (g) other significant particulars
 - (h) declarations upon the basis of which Certification was granted
- 11.2 Where, notwithstanding a change of legal constitution or Trading Title, You remain unchanged in all other material respects, We may at Our discretion grant a transfer of Certification. The Business to which Certification is transferred will sign an undertaking that it will comply with these Scheme Rules and accept full responsibility for the work within the scope of Certification undertaken by the previous holder of the Certification. Where a partnership is dissolved, Certification may be transferred to a new Business comprising one or more of the former partners subject to the written agreement of all the former partners.
- 11.3 Where, in Our opinion, the changes are such that the conditions under which Certification was granted are significantly affected, You will, if We so require:
- (a) make a new application for Certification; or
 - (b) make facilities available, as required by these Scheme Rules, for an additional Assessment of You to confirm continued compliance; or
 - (c) where there is a significant change in the range of Periodic Inspection and Testing Work undertaken by You, You will notify Us without delay and, if We so require:
 - (i) make a new application for Certification; or
 - (ii) make facilities available, as required by these Scheme Rules, for an additional Assessment of You to confirm continued compliance; or
 - (iii) accept Certification with Defined Approval, in which event, the scope of Electrical Work covered by these Scheme Rules will be subject to such conditions as We see fit and which will be agreed by and notified to You.

- 11.4 Where a Principal Duty Holder ceases to be employed in that capacity, You will advise Us without delay and within 30 days of the change, provide a declaration on the form prescribed by Us to confirm that a suitable replacement has been appointed.
- 11.5 Where an Electrical Inspector ceases to be employed in that capacity, You will advise Us within 30 days of the change, provide a declaration on the form prescribed by Us to confirm that all Periodic Inspection and Testing Work in the Rented Sector is, and will continue to be, undertaken by a named Competent Person. A replacement Electrical Inspector accepted by Us** will be employed in that capacity within 120 days of the former Electrical Inspector ceasing to be employed in that capacity.
- 11.6 Fees and charges paid in respect of change of Certification particulars, or a transfer of Certification are not refundable.
- 11.7 Where there is change to the Electrotechnical Certification; You will be required to confirm if You undertake Periodic Inspection and Testing Work.

12. SURVEILLANCE

- 12.1 For the purpose of determining continued eligibility for Certification, You will be required to facilitate surveillance requirements as defined by Us, based on the range, scope, number of personnel and geographical spread of the work undertaken.
- 12.2 During surveillance, You will produce to Our Assessor the below and enable the Assessment of the items referred to in Requirements for Certification:
 - (a) a list of all Inspection and Testing Work completed since the previous Assessment; and
 - (b) a list of all Inspection and Testing Work in progress; and
 - (c) make available the designs, method statements, commissioning and handover documents relating to that work; and
 - (d) duplicates of all prescribed forms of certification and evidence of Building Regulation compliance issued or in progress; and
 - (e) any other items as prescribed by Us; and
 - (f) a copy of your complaints log and complaints procedure.
- 12.3 The Principal Duty Holder will be available for the Assessment, attending the open and closing meetings.
- 12.4 Each Electrical Inspector(s) being assessed will be present throughout the Assessment.
- 12.5 You will provide facilities for such Assessments including transport and test equipment, and will arrange access to the work selected for Assessment.
- 12.6 You will provide access to your records, demonstrating retention for a minimum of 6 years or longer if contractually agreed, inclusive of but not limited to; specifications, certificates, competence records and complaints.
- 12.7 The cancellation by You of two or more scheduled assessments will lead to a review of your Certification, this could in turn lead to Suspension and/or Cancellation of Certification.
- 12.8 Where You are found not to comply with the requirements of these Scheme Rules, We will notify You of the non-conformity(ies), which may necessitate Us carrying out further Assessments. You will be responsible for your own costs and for payment of Our fees for further Assessments as may, be determined and published by Us. Where Our Assessor identifies non-conformity(ies), You will undertake appropriate remedial action within the timescales prescribed.
- 12.9 Where You fail to provide facilities for an Assessment for which reasonable notice has been given or cancel an arranged Assessment by giving less than 21 days' notice, or fail to comply with the Requirements for Certification. You will be responsible for payment of Our fees as may, be determined and published by Us.
- 12.10 When requested by Us, You will provide access and facilities to allow for the attendance of internal and/or external parties such as the United Kingdom Accreditation Service (UKAS) to witness Assessments carried out by Us.
- 12.11 All electronic recording devices are to be switched off for the duration of the Assessment and, it is not permitted that any part of the Assessment is recorded.

13. SUSPENSION OF CERTIFICATION

- 13.1 Businesses can request to suspend their Certification. This is termed voluntary suspension, this request will be reviewed against the scheme requirements prior to action and again upon request to lift this voluntary status.
- 13.2 We may, suspend with immediate effect, your Certification from the Register(s) of Certificated Businesses if it is shown to the satisfaction of Us that You have:
