

# EXTENSION TO CERTIFICATION HAZARDOUS AREAS APPLICATION FORM

## ELECTRICAL WORK IN POTENTIALLY EXPLOSIVE ATMOSPHERES

Please read relevant scheme guide carefully before completing this form. Complete in CAPITALS and write clearly.

### 1 BUSINESS

Trading Title of Business:  
(exactly as shown on business stationery)

Address:  
(This address needs to be a physical location from which the business carries out or manages electrical work and to which correspondence can be posted)

Postcode:

Company Registration No:

Business Telephone No:

Business Email:

Website:

### 2 RANGE AND SCOPE OF EXTENSION TO CERTIFICATION FOR HAZARDOUS AREA APPROVAL

Explosive Gas/Vapour (G)

Intrinsic Safety (I)

Filling Stations (F)

Combustible Dusts (D)

Water/Sewage Treatment (W)

Other

### 3 TYPICAL LOCATIONS IN WHICH HAZARDOUS AREA WORK IS UNDERTAKEN BY THE BUSINESS DETAILED IN SECTION 1 - WHICH WILL BE AVAILABLE FOR ASSESSMENT

1

2

3

4

5

6

### 4 TECHNICAL REFERENCE DOCUMENTS HELD AT THE ADDRESS IN SECTION 1

Please confirm you hold the current editions, including all amendments, of the technical reference documents listed below by ticking the Yes box. These items are also required at your assessment.

#### BS EN 60079 Electrical apparatus for explosive gas atmospheres:

Part 10-1 - Classification of hazardous areas

Yes

Part 14 - Electrical installations in hazardous areas

Yes

## 8 HAZARDOUS AREA EXPERIENCE

- |  |   |
|--|---|
| <input type="checkbox"/> Installation work                 | <input type="checkbox"/> Testing                                |
| <input type="checkbox"/> Initial Inspection                | <input type="checkbox"/> Periodic Inspection & Reporting        |
| <input type="checkbox"/> On-site supervision of operatives | <input type="checkbox"/> Completion of certificates and reports |

The proposed Qualified Supervisor (HA) has at least two years' practical experience of the following zonal concepts:

### Flammable gas or vapour:

- |        |                              |                             |
|--------|------------------------------|-----------------------------|
| Zone 0 | Yes <input type="checkbox"/> | No <input type="checkbox"/> |
| Zone 1 | Yes <input type="checkbox"/> | No <input type="checkbox"/> |
| Zone 2 | Yes <input type="checkbox"/> | No <input type="checkbox"/> |

### Combustible dust:

- |         |                              |                             |
|---------|------------------------------|-----------------------------|
| Zone 20 | Yes <input type="checkbox"/> | No <input type="checkbox"/> |
| Zone 21 | Yes <input type="checkbox"/> | No <input type="checkbox"/> |
| Zone 22 | Yes <input type="checkbox"/> | No <input type="checkbox"/> |

## 9 TRAINING UNDERTAKEN FOR WHICH COPY ASSESSMENT CERTIFICATES ARE ATTACHED

### COMP'Ex' training units:

	(tick as appropriate)	Year
EX01 Preparation and installation of Ex 'd', 'e', 'n' and 'p' systems	<input type="checkbox"/>	<input type="text"/>
EX02 Maintenance and inspection of Ex 'd', 'e', 'n' and 'p' systems	<input type="checkbox"/>	<input type="text"/>
EX03 The preparation and installation of Ex 'i' systems	<input type="checkbox"/>	<input type="text"/>
EX04 The inspection and maintenance of Ex 'i' systems	<input type="checkbox"/>	<input type="text"/>
EX05 The preparation and installation of apparatus protected by enclosure used in the presence of combustible dust	<input type="checkbox"/>	<input type="text"/>
EX06 The inspection and maintenance of apparatus protected by enclosure used in the presence of combustible dust	<input type="checkbox"/>	<input type="text"/>
EX07 The preparation, installation and decommissioning of electrical installations at filling stations	<input type="checkbox"/>	<input type="text"/>
EX08 The inspection, testing and maintenance of electrical installations at filling stations	<input type="checkbox"/>	<input type="text"/>
EX09 Preparation and installation of electrical installations within the water industry (Ex 'd', Ex 'e', Ex 'n', Ex 'p', Ex 'i', and dust)	<input type="checkbox"/>	<input type="text"/>
EX10 Inspection and maintenance of electrical installations within the water industry (Ex 'd', Ex 'e', Ex 'n', Ex 'p', Ex 'i', and dust):	<input type="checkbox"/>	<input type="text"/>
EX11 Preparation installation inspection and maintenance of mechanical installations in explosive atmospheres	<input type="checkbox"/>	<input type="text"/>
EX12 Design of applications and systems for potentially explosive atmospheres	<input type="checkbox"/>	<input type="text"/>
IEC Ex Personal Competence Certificate	<input type="checkbox"/>	<input type="text"/>

## 10 **DECLARATION**

On behalf of the above business, I confirm that the details given on this form are true and complete. I hereby apply for an extension to the scope of our certification with NICEIC to cover the range of hazardous area work indicated in Sections 2 & 3. I confirm that the business has sufficient hazardous area work available for assessment. I have read and confirm the business will comply with the requirements relating to the extension of certification set out in the NICEIC Hazardous Area Scheme Guide. I agree to pay the published fees in relation to this application and I understand the application fees are non-refundable.\*\*\*

I confirm that the business's public liability insurance policy covers electrical work in potentially explosive atmospheres.

I understand in order for an application to be accepted; completion and submission of this application form with relevant qualification(s) and insurance documents for verification is required.

Arrangements have been made to allow the Assessor access the selected site(s).

Name:

Signature:

Date:

Position in Business:

Note: NICEIC will make available to other interested parties (e.g. LABC and relevant Government Departments) the names of former businesses whose certification has been terminated by the scheme and the reason for termination. This applies where the reasons for termination of certification relate to non-compliance with the Building Regulations or a breach of scheme requirements and rules.

NICEIC may also share information with other Certification and Registration Bodies in respect of transferring certification.

NICEIC may also share information with legal authorities and local government in respect of any request related to the prevention of crime.

\*\*\*The pre assessment application fee only covers the pre assessment visit to the address indicated in Section 1, it does not cover the site assessment application fee. See the Hazardous Areas Scheme Guide & Fee sheet for further details.

## 11 **DATA PROTECTION**

We will ensure that all data is handled in accordance with all relevant data protection legislation, including the UK General Data Protection Regulation (GDPR).

I understand I will be sent an email from Certsure LLP detailing how I can set my communications preferences.

Yes

This will allow you to control what marketing communications you receive from us. Once you receive access to the Communications Preference Centre, you can opt in for all or just some marketing communications.
