Surname:

Forename:

3 REQUIREMENTS OF CERTIFICATION COORDINATOR

A Certification Coordinator is responsible for ensuring the Approved Body that employs them fulfils and maintains the conditions under which it was approved. The Certification Coordinator shall:

- act as the contact point for the Approved Body;
- be present, as required, for assessments by the NICEIC;
- only countersign Certificates of Construction on behalf of the Approved Body that employs them;
- not countersign Certificates of Construction for any period during which the Approved Body that employs them, does not employ an Approved Certifier of Construction;
- advise the NICEIC of any changes of Approved Body details or Approved Certifiers;
- act in accordance with the Scheme code of conduct.

4 DECLARATION

I confirm that I meet the requirements of a Certification Coordinator as detailed in the NICEIC Rules Relating to Registration for Certification of Electrical Installations in Scotland. I have been appointed in that position by the above business. I have read and agree to comply with the Rules.
