

CAREERS AT CERTSURE

Job Title:	Electrotechnical Associate Assessors
Location:	Field Team – Various locations across the UK
Salary:	Competitive daily rate
Hours:	Flexible and variable hours
Contract:	Self -Employed

About the role...

We have exciting opportunities for Electrotechnical Associate Assessor covering various locations across the UK. The Associate Assessor is responsible for building and developing relationships with potential applicants seeking registration, and engage with various other professional bodies and stakeholders to promote the many services offered by Certsure.

The assessor will undertake periodic assessments across Certsure for all customers registered under Certsure's electrotechnical schemes to assess their work, resources and ensure they comply with the rules and technical requirements relating to enrolment. The post holder will be expected to work independently in accordance with instructions and guidance contained in procedural manuals.

About the company...

Certsure offers industry-leading certification services, Building Regulations schemes, products and support to the construction industry.

We are dedicated to providing professional services and certification to a wide range of customers across the building services sector. Our products and services are delivered through the marketing-leading brand NICEIC.

Quality is the foundation of everything we do and as a result, many of our products are Government-recognised and United Kingdom Accreditation Service (UKAS) approved. From the technically excellent assessors to service advisors who really "get" our customers – we are always on the lookout for talented people to join our team.

What you'll be doing...

- Undertake a weekly programme of visits, to be centrally scheduled by a member of the administration team
- Conduct assessments of Certsure customers / contractors ensuring the necessary compliance to the competent person scheme rules

CAREERS AT CERTSURE

- Undertake assessments of applicants for registration and conduct assessment visits in other geographical areas, as requested.
- Make recommendations concerning approval, continued registration, deferment or rejection and compile all documentation required by the appropriate procedures
- Build relationships with Certsure customers whilst providing an excellent service to them
- Respond to technical and related enquiries from registered contractors, local authorities and others about the implementation of BS 7671 and related BS codes of practice
- Assist in the training of newly appointed Area Engineers, as requested
- To comply with the requirements of the Health and Safety Policy
- To undertake any other duties as appropriate within their competence, as required by their line manager

What we're looking for...

- High level of technical competence over a wide range of electrical installations
- Detailed knowledge of BS 7671 and related codes of practice
- Report writing, numeracy and IT skills, in particular Microsoft Office Suite
- Personable and communication skills with the ability to build excellent relationships at all levels
- Excellent customer service skills – can recognise the customers' needs and strives to deliver the best level of customer service
- Excellent time management skills with ability to prioritise workload and meet deadlines
- Knowledge of accreditation criteria
- Full driving license

Desirable

- Knowledge of accreditation criteria
- Corporate membership of the IET/CIBSE
- HNC in engineering or equivalent
- Vocational Assessor qualifications
- Adult Teaching qualifications

What we offer you...

- A Competitive Day rate
- Flexibility, with regards to days worked
- Chance to be a part of an extremely Professional Assessment Team
